Program Details: March 15, 2022 at 11:59 PM CDT (Midnight)

Recommendation Deadline: March 15, 2022 11:59 PM CDT (Midnight)

DESCRIPTION

Sometimes the youngest among us cast the brightest light. That is certainly true in Landon Wulf's case.

As a sixth grader at Brandon Valley Middle School, Landon was known for his love of music. He played the trumpet in the school band, sang in the choir, and was involved in the Singing Boys of Sioux Falls.

Landon excelled in school, too, and was always looking for a good challenge. In early elementary school, his math and reading scores were four to five grade levels above average for his age. As a sixth grader, he was a finalist in the annual school-wide geography bee. Landon was also involved in Destination Imagination as a way of utilizing his creativity, teamwork, and critical thinking skills to solve problems.

The legacy Landon left behind inspired his parents, Arnie and Myra, and sisters, Monica and Tanya, to establish this award to honor his memory. It's a fitting tribute to a young man who at only eleven-years-old was grateful for his talents and taught others how to be thankful for the people and opportunities in their lives. He willingly and humbly shared his many talents with family and friends, but at the same time, respected others as individuals with their own ideas, strengths, and desires. Landon achieved excellence in all he did and is an example for all Brandon Valley High School students.
