

Raise Right allows us to earn money by shopping for things we use every day – groceries, gas, restaurants, etc. by purchasing gift cards instead of using cash or credit cards. The fundraiser can support either your individual accounts or Brandon Valley Bands as a whole. This is completely optional.

For each gift card purchased, a % is deposited into your desired account (i.e., Student ISA or General Band Account). This percentage varies by merchant.

Below is some information if you are not yet set up and would like to learn more:

- The website is [RaiseRight.com](https://www.raiseright.com). There is also an APP called **RaiseRight** that can also be connected to your account. On the website, simply click on “Join a Program” in the upper right, enter “**BBFEEA9166343**” as the enrollment code, and click “register.”
- You will set up an account and enter your checking account information which withdraws funds from your checking account to pay for the gift cards you purchase for a \$.15 fee per order. There is an option to pay by credit card but that has an additional fee. We **WILL NOT** be accepting checks or cash so the only way to participate and purchase gift cards is through debit or credit. All orders are placed and paid online. There will be no paper orders.
- As you register, list “Brandon Valley Band” as the organization and list your student’s name so that you are given credit to your account. If you want to help earn funds for the entire band, enter the word **BAND**, but if you or a family member want your Raise Right purchases to be connected to your student and their Individual Student Account (ISA), you need to enter their name.

Once you are registered, there are three choices for gift cards either on the APP or website:

- An e-card (*available instantly, and you can print or show your phone using the APP for on site for purchases*)
- A traditional physical gift card (*available ONLY during the holidays and in April unless you do a ship to home order*)
- Re-load which adds money back on physical gift cards (*to re-load you need to first purchase a physical gift card for that company through Raise Right*)

E-cards will appear in your account immediately and are the easiest to use while you are shopping, eating out, paying for gas, etc. Because of added shipping costs, physical cards will be ordered as a group and **ONLY** available in April and November unless you do a ‘ship to home’ order (*Note: not all brands are available to ship to home so read carefully*).

Finally, Raise Right does not allow us to cancel orders once they are placed, so order carefully.

Here is more info: <https://www.raiseright.com/resources/participant/start-earning/>

Their website also has additional info, instructions and FAQs. Happy Shopping!!
